Principal's Message To The Seniors

The educational ladder to success must be surmounted round by round. You have reached your second round, there are others that I hope you will reach and surmount.

All great men and women were once school boys and girls. Every boy and girl can't be great men and women, but you can be good good men and women.

I am glad that you have come thus far on your way; yet we hate to see you leave. There comes a time in everyone's life that the best of friend's must part, but the memory of the parting lingers on. It has often been stated that time and tide waits for no one, and as you continue on life's way I want you to set an example that others might follow.

Set an Example

I'd rather see a sermon
Than to hear one any day
I'd rather one should walk with me
Than merely show the way.
The eye's a better pupil,
And more willing than the ear;
Fine counsel is confusing,
But example's always clear
And best of all the preachers
Are the men who live their creeds;
For to see good put in action
Is what everybody needs.

I soon can learn to do it,
If you'll let me see it done
I can see your hands in action
But your tongue to fast may run.
And the lecture you deliver
May be very fine and true,
But I'd rather get my lesson
By observing what you do
For I may misunderstand you
And the high advice you give,
But there is no misunderstanding
How you act and how you live.

B.T. Wilson

CLASS HISTORY

In September 1943 the present graduating class entered the High School Department of Davie County Training School, with an enrollment of 32 pupils, which were under the instruction of Mrs. C.L. Massey, with Pecola Cannady as class president.

This was the beginning of the long-awaited search for the initiative that was stered among the various members of our class, which gave indications of prospective High School career of success from the establishment of a variety of enjoyment clubs and activities.

Beginning our Sophomore year with Garfield Doulin as president and Mr. Frederick Parker as our home room teacher, we continued to move upward, yet with a decrease in the number of our classmates. We had quite a few students that were able to attain a "B" average, which was required for the participation in the extra-cirricular activities.

With a perpetual decrease in our classmates, we finally gained the title of Juniors, through encouragement and assistance from our class instructor Mrs. C.L. Massey we were able to maintain some of our "B" average group.

Having participated in the Solo and Oratorical contest, the winners came from our junior class, with Helen Mack winning the solo contest and Hannah Brown the runnerup. Queen came out on top in the oratorical contest with Pecola Cannady winning the second spot.

Due to the fact that we as juniors were very interested in music, we were contestants in the annual musical festival, which was held at Livingstone College, Salisbury, N.C. in April '46.

As our school career nears its end, we leave hopes throughout the coming years, the following graduates will find success toward reaching the goal of their lifes' profession.

Class Will

Notice And Think On These Things

For the Freshman Class, we leave our class picture for inspiration when the way seems hard. To Margaret Studevent a faithful member of the Glee Club we will her the melodious voice of Helen E. Mack.

To the chatter-boxes of the Sophomore Class namely, Thelma Hall and Ann Eaton, Mary Allen will's them her timidity and quiteness.

The Senior Class of '47 is kind true and above all thoughtful, therefore we are leaving Miss M.N. Sutzler a reducing belt (we hope she will share it with Mrs. C.L. Massey) Miss A.A. White will receive from us and prepared by us, a well balanced meal, with an ever supply of calories.

May Martha Claybrooks (a studious member of the junior class) keep growing bigger without losing her "figure". May she aim ever higher not omitting to fire. May she ever be dearer, and brave without recklessness, and give her thanks to the Senior class of '47 for leaving her a book entitled "Ideas".

From the athletic members of our class, we worship Marcella Studevent for playing with the basketball team. Hannah Brown will's her the ability to learn to play better.

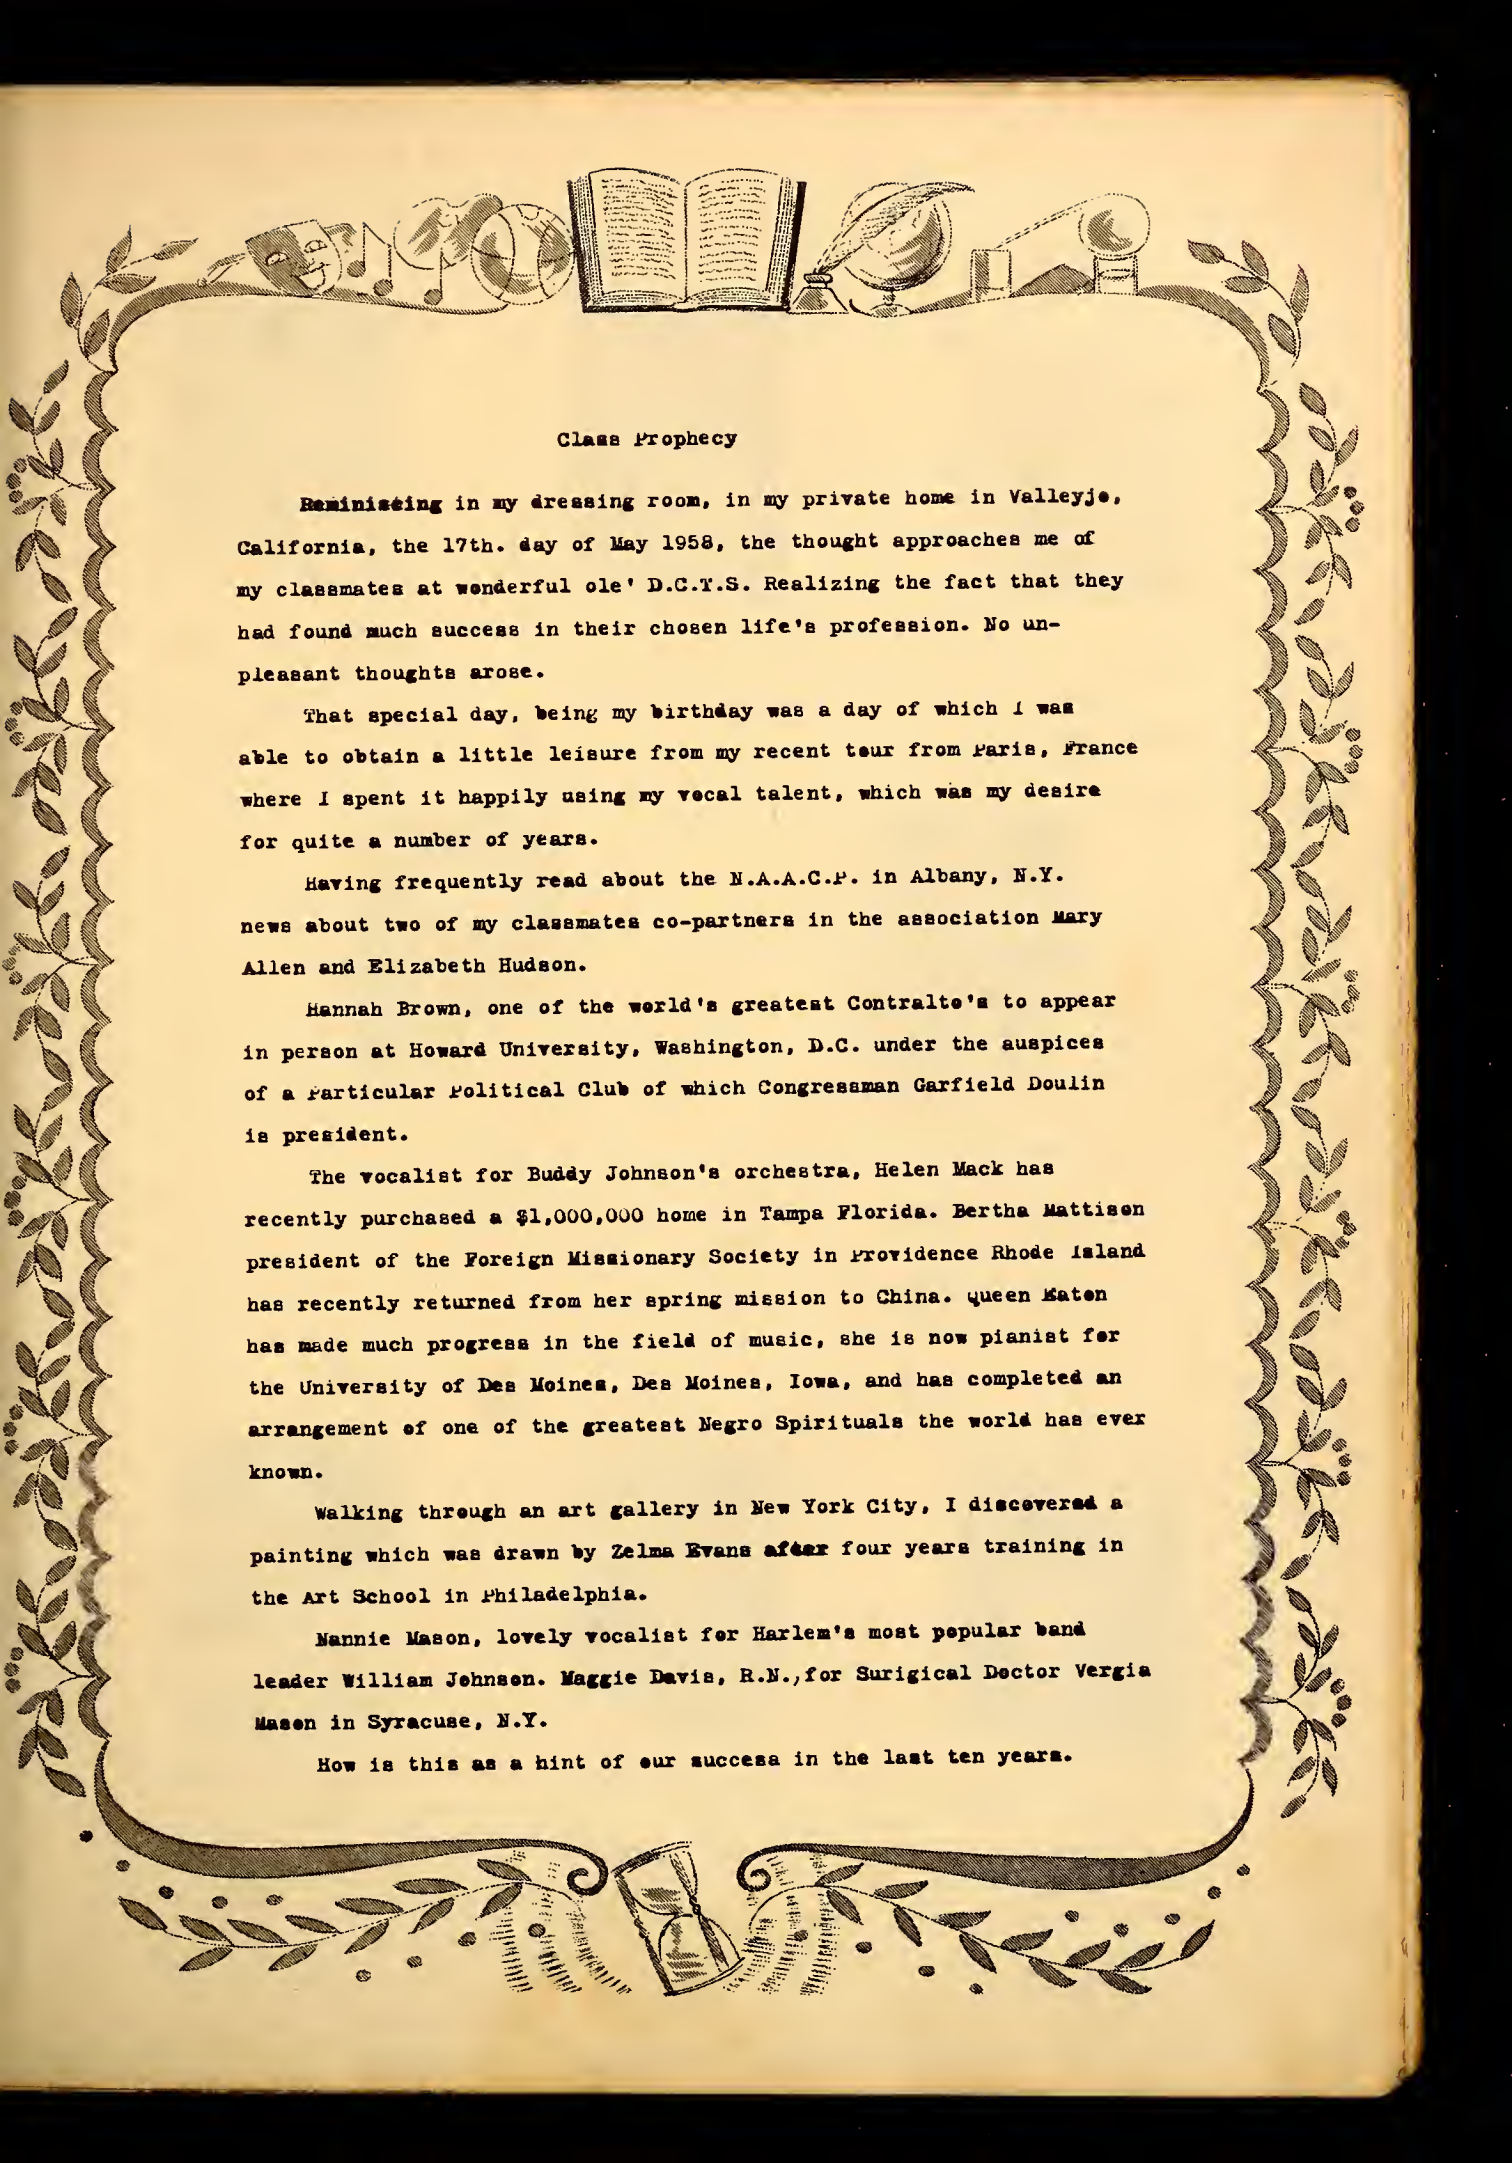

Toast To Our Principal

We admire him for his altruism, bless him for his ~~brutality~~ brutality congratulate him on his coolness, herald his head-work, jollify his job, laud his learning, name his nobility, magnify his mantality, reward his reasonableness, think of his talks, and underetand his unselfishness.

Class Prophecy

Reminiscing in my dressing room, in my private home in Valleyje, California, the 17th. day of May 1958, the thought approaches me of my classmates at wonderful ole' D.C.T.S. Realizing the fact that they had found much success in their chosen life's profession. No unpleasant thoughts arose.

That special day, being my birthday was a day of which I was able to obtain a little leisure from my recent tour from Paris, France where I spent it happily using my vocal talent, which was my desire for quite a number of years.

Having frequently read about the N.A.A.C.P. in Albany, N.Y. news about two of my classmates co-partners in the association Mary Allen and Elizabeth Hudson.

Hannah Brown, one of the world's greatest Contralto's to appear in person at Howard University, Washington, D.C. under the auspices of a Particular Political Club of which Congressman Garfield Doulin is president.

The vocalist for Buddy Johnson's orchestra, Helen Mack has recently purchased a \$1,000,000 home in Tampa Florida. Bertha Mattisen president of the Foreign Missionary Society in Providence Rhode Island has recently returned from her spring mission to China. Queen Katon has made much progress in the field of music, she is now pianist for the University of Des Moines, Des Moines, Iowa, and has completed an arrangement of one of the greatest Negro Spirituals the world has ever known.

Walking through an art gallery in New York City, I discovered a painting which was drawn by Zelma Evans after four years training in the Art School in Philadelphia.

Mannie Mason, lovely vocalist for Harlem's most popular band leader William Johnson. Maggie Davis, R.N., for Surgical Doctor Vergia Mason in Syracuse, N.Y.

How is this as a hint of our success in the last ten years.

CLASS POEM

Dear school, we now depart from thee,
We all are sad from thoughts of old
Those thoughts which bring the memory,
Of all our gladness brave and bold.

To our dear friends we leave behind,
May all your joys and wishes too
Remain so long as to remind
You of the pleasant times we knew.

For our achievements thus far won,
We're grateful to our parents and teachers dear
And thanks we give to the heavenly song
Who aids in all things, far and near.

Pecola Cannady

CLASS SONG

Class Song- Tune-"Smiling Through"

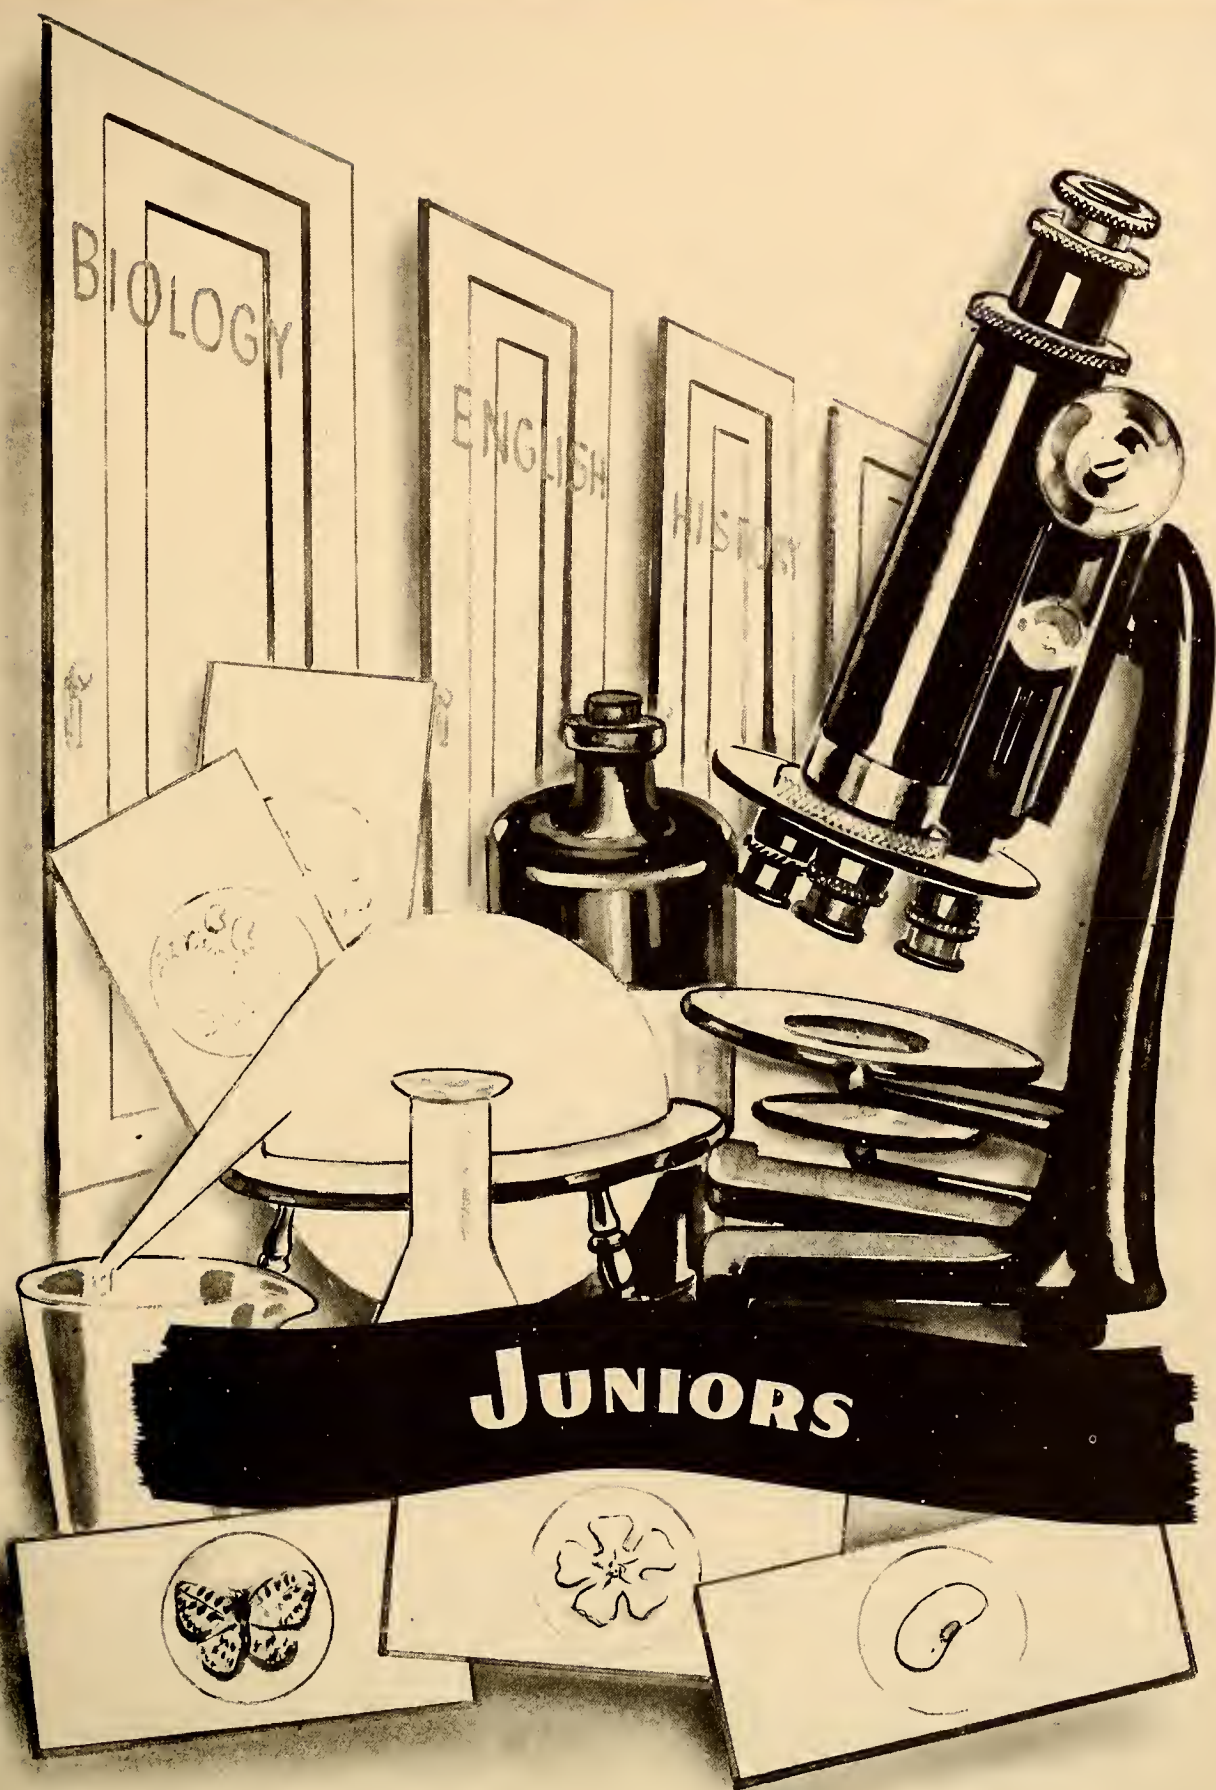

Our dear schoolmates, teachers and principal too,
We're saying farewell and goodby
We all hate to leave you, but as time rolls along-
D.C.T.S. remain with us like a song.

We never resist opportunities,
With surety we strive
We all have been well blessed,
To secure this success.
And now ringing still as always will D.C.T.S.
